

## VehicleSounds

The following is to help you describe conditions on your vehicle to our service advisors.

- **Booming** - rhythmic sound like a drum or distant thunder.
- **Buzzing** - low pitched vibration, similar to that of a bee.
- **Chattering** - a clicking metallic noise that repeats rapidly.
- **Chirping** - high pitched noise similar to a bird.
- **Clicking** - tapping sound similar to that of a ball point pen.
- **Clunking** - a banging type sound, like something being dropped.
- **Grinding** - a loud abrasive, metallic noise, often high pitched.
- **Growling** - low noise like that of an animal.
- **Hissing** - continuous air like sound.
- **Humming** - continuous noise which may be somewhat melodious.
- **Knocking** - banging noise with two objects hitting one another.
- **Rattling** - shaking sound, as if something is loose.
- **Rumbling** - a low, gurgling noise.
- **Squeaking** - high pitched metallic sound, often continuous.
- **Squealing** - high pitched sound such as that made by a mouse or a rusty hinge.
- **Tapping** - a light hammering noise that can be rhythmic or intermittent.
- **Thumping** - a loud, banging sound.
- **Whining** - high pitched buzzing sound.

“Your Car Needs Us” . . . . and WE NEED YOU

To Our Valued Clientele:

Automotive Masters LLC welcomes your business and is dedicated to serving our customers. We are an independently owned and operated automotive service and repair center. It is our desire to build a solid reputation in the community for fair business practices, professional ethics, and experience.

Through our years of business and automotive experience, education, and training, Automotive Masters LLC can handle all your complicated diagnostic and repair questions. Our master technicians are ASE Certified and proudly display their credentials as a testimony to their years of experience and many rigorous hours and continued testing to remain a truly professional technician.

It is our desire to serve our customers in a professional and courteous manner while showing empathy and understanding for your car needs. We know that our best method of advertising is “word of mouth”. It is our desire that by offering quality workmanship, reasonable prices, and excellent personalized service, our customers will keep coming back to patronize our business. We can only be as successful, as our customers are satisfied!

Sincerely,

**Automotive Masters LLC**
